All arch top rails are figured from the **WEBB**. (This is the narrowest part of the arch.)  
 Door Thickness 13/16" (3/4" Available Upon Request). All Wainscot & Panel Ends are built 1/8" oversize on both width & height. If this is **NOT ACCEPTABLE**, order a Machine PE edge.  
**If both width & height exceed 51", there will be no additional sanding to stiles & rails after assembly.**
